moontrance

flavours by CAO moontrance is an intricate blend of natural exotic fruit and bourbon vanilla. Bourbon vanilla, renowned for its caramel-like sweetness, is mixed with Georgia peaches and other organic fruits. A splash of white Hawaiian honey is added for its tropical essence. This well-rounded extract is gently misted into a blend of mild Dominican tobaccos and finished with a Grade One Cameroon wrapper. Experience the magic of moontrance by allowing its taste and aroma to transport you into another world of pleasure.
